

**PSJA Round Robin Judo Clinic**  
San Marcos CA June 19 & 20, (Sat and Sun) 2010  
Sanctioned by USJF

**This is your invite Coaches Needed**

We plan to have a low cost Judo clinic on June 19 and 20, 2010 and want to invite about 20 coaches from clubs in Southern Ca to take part. You are highly respected as a coach and leader and we would like you there.

We have a pool of very well run judo schools in our area run by talented coaches and instructors and want to use that talent to have a low cost clinic in San Marcos CA.

During this clinic we also want to honor our very talented coaches who have devoted many years to judo.

Many of you have conducted clinics and realize we often are forced to teach at a level that does not suit everyone. If we teach too high the beginners get lost too low and the advance students fall a sleep.

Our approach for this clinic is to divide the athletes by skill level and separate into groups. We will assign a coach to each group who will conduct skills appropriate for this group. Each 45-50 minutes we will move the coach to another group and repeat the process.

The cost for students with advance registration before June 12 will be \$15 for one day and \$20 for both days. Families with 2 students, \$10 for one day \$15 each student for both days. Bigger families give us a call. Cost after June 13 add \$5 for each day.

ALL coaches and students must have an active USJA, USJF, USAJudo membership and show your card at the door. **You may sign up at the event.**

For this to work we need coaches that will bring lots of students and a willingness to help out. **You do not need to work a full day or even both days that is why we want so many coaches but we really need your students to attend.**

**Would you like to volunteer and take part? We need your help. Please email or call ASAP. If you just want to bring students or help in anyway you are welcome**
