RULES AND METHOD OF COMPETITION

Competition Method for Senior, Visually Impaired, Masters and Novice

1. Categories having five (5) Competitors or less: Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 7, Yuko= 5, Decision= 1. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded.
2. Categories having six (6) competitors or greater: Knockout System with Double Repechage (some-times referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1st and 2nd place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1st and 2nd place. Determination of 3rd – 5th place: All contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. For example, for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3rd, the losers (2) are placed 5th.

Seeding: Senior Shiai only: Athletes will be seeded in accordance with their listing on the National Roster maintained by USA Judo as follows: A (or B) side: #1 and #8 in one half, #5 and #4 in the other half. B (or A) side: #2 and #7 in one half; and #6 and #3 in the other half. Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete. Athletes having the same State (Group B) affiliation will be placed as far apart in the bracket as possible. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e. two athletes from the same state or club may meet in the first round if one is a seeded athlete.

Senior and Novice Shiai Rules:

The Senior Shiai Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation. The exception to the IJF rules will be the usage of the Knockout System with Double Repechage

Injury Rule: The following rule was approved by the Board of Directors of USA Judo on October 22, 1998: Decisions as to whether an athlete may continue if injured **while on the mat**, are to be resolved in

accordance with IJF rules; such decisions **occurring off the mat** or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue.

Visually Impaired:

The Visually Impaired Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Blind Sports Association.
